EXPERTISE

Dimitri Zenghelis is an economist based at the University of Cambridge, the London School of Economics and Independent Economics. He advises governments, financial institutions, central banks, NGOs, international organisations and the media on macroeconomics; sustainability; climate change; wealth; disruption; innovation; economic modelling and clean urbanisation. He is a TEDx Speaker and corporate leadership trainer

CAREER HISTORY

Sep 2020 -	present	University of Cambridge Special Advisor, Bennett Institute, Cambridge
Mar 2023 -	present	Independent Economics Partner
Oct 2020 -	present	Capital Generation Partners Chair, Responsible Wealth Committee.
Jan 2023 -	Nov 2024	University of Oxford Oxford University Business Economics Programme, lectures.
Mar 2020 -	Jan 2021	University of Cambridge Course convener, Cambridge Institute for Sustainable Leadership
Jan 2019 -	Sep 2020	University of Cambridge Project leader and special advisor, Bennett Institute
May 2013 -	Oct 2017	London School of Economics Principal Research Fellow and Joint-head Policy, Grantham Research Institute
Sep 2013 -	Sep 2014	Global Commission on the Economy and Climate Acting Chief Economist
Apr 2008 -	Feb 2013	Cisco Systems, IBSG Senior Economic Advisor
Jan 2008 -	Mar 2012	Royal Institute of International Affairs Associate Fellow
Aug 2007 -	April 2008	Stern Team, Prime Minister's Office of Climate Change Team Leader
Nov 2005 -	Aug 2007	Stern Review on Economics of Climate Change Lead Chapter Author and Senior Economist
Sep 2003 -	Nov 2005	HM Treasury, London Head of EMU Analysis Branch
Feb 1999 -	Sep 2003	HM Treasury, London Head of Economic Forecasting
Oct 1998 -	Dec 1998	Oxford Economic Forecasting, Oxford External Consultant
Jun 1996 -	Jun 1998	Institute of International Finance, Washington DC Economist, Asia/Pacific Department
Apr 1995 -	Jun 1996	Tokai Bank Europe, London Head of European Economic Research
Aug 1993 -	Apr 1995	Liberal Democrats, House of Commons, London Senior Economic Advisor
Aug 1992 -	Jul 1993	Oxford Economic Forecasting, Oxford International Economist
Jul/Aug 1992		St Hugh's college, Oxford Examiner

EDUCATION

1991 -1992	Bristol University MSc Economics
1987 -1990	St Hugh's College, Oxford University BA Honours degree in Philosophy, Politics and Economics, Class 2(i)

ADVISORY/FELLOWSHIPS/ASSOCIATIONS/MEMBERSHIPS

Member The Productivity Institute
Senior Associate Cambridge Institute for Sustainability Leadership
Commissioner London Sustainable Development Commission, appointed by the Mayor of London
Fellow Academy of Social Sciences (FACSS)
Fellow Royal Society of Arts (FRSA)
Advisory Board investing for Purpose
Senior Advisor Cambridge Zero
Senior Visiting Fellow Grantham Research Institute, London School of Economics
Advisory Board Committee on Climate Change, Costs and Benefits Advisory Group
Global Advisory Council Oxford Sustainable Finance Programme
Advisory Board Oxford Post-Carbon Transition Policy Programme

Management Group LSE Cities, London School of Economics
Network of Experts Centre for Science and Policy (CSaP), University of Cambridge
Advisory Board Tempus Energy
Advisory Board NERC PAGE20 integrated modelling proposal
Commissioner UCL Green Economy Policy Commission
Advisor The Wealth Project, Oxford
Judge Green Innovation & Finance Awards
Leadership Council UN Sustainable Development Solutions Network, Greece

PEER-REVIEWED PAPERS

[Click titles for embedded links](#)

Understanding and modelling structural economic change as a dynamic resource creation process

With Geels F.W., Mercure, J-F Pollitt, H. and Sharpe S.

The Oxford Review of Economic Policy (forthcoming) 

The effects of low-carbon transitions on labour productivity:

Analysing UK electricity, heat, and mobility with a techno-economic simulation model

With Mercure, J-F. Pollitt, H. Geels, F.W., Pirie, J. and M. Ayoub

Climate Policy (forthcoming)

'Is reaching net zero a growth and prosperity plan?'

October 2024

University of Cambridge and London School of Economics  

'Boosting growth and productivity in the United Kingdom through investments in the sustainable economy'

with Serin, E, Stern, N., Valero, A. VanReenen, J and Ward, R. E. January 2024

Centre for Economic Performance and Grantham Research Institute, London School of Economics 

The Productivity Institute, Bennett Institute University of Cambridge 

'Measuring for the Future, Not the Past'

With Agarwala, M. K, Coyle, D, and Peñasco, C. March 2023

National Bureau of Economic Research, NBER

'Policies for investing in sustainable growth: risks and opportunities in the current macroeconomic environment'

with Stern, N. and Taylor, C. July 2022

Grantham Research Institute on Climate Change and the Environment, London School of Economics 

'Climate change and fiscal sustainability: risks and opportunities'

With Agarwala, M. Burke, M., Klusak, P., Mohaddes, K. and Volz. December 2021

National Institute Economic Review, University of Cambridge 

'Towards carbon neutrality and China's 14th Five-Year Plan: clean energy, urban development and investment priorities'

With Hepburn, C., Qi, Y., Stern, N., Ward, B., Xie, C. October 2021
Environmental Science and Ecotechnology 100130.

'Productivity opportunities and risks in a transformative, low-carbon and digital age'

With Frank Geels and Jonatan Pinkse, September 2021
The Productivity Institute

'Why sustainable, inclusive and resilient investment makes for efficacious post-Covid medicine'

WIREs Climate Change June 2021

'The costs and benefits of environmental sustainability'

with Ekins, P., March 2021
Sustainability Science
Winner, Outstanding Article Award

'Fiscal responsibility in advanced economies through investment for economic recovery from the COVID-19 pandemic'

with Stern, N. March 2021

Grantham Research Institute on Climate Change and the Environment, London School of Economics 

'China's 14th Five-Year Plan: COVID-19 recovery, sustainable urban development and clean energy transition'

with Hepburn, C., Qi Ye, Stern, N. Ward, R. E. and Xie, C. February 2021

Grantham Research Institute on Climate Change and the Environment, London School of Economics 

'Natural Capital Accounting For Sustainable Macroeconomic Strategies'

with Agarwala, M., October 2020

United Nations: Department of Economic and Social Affairs

'Will COVID-19 fiscal recovery packages accelerate or retard progress on climate change?'

with Hepburn, C., O'Callaghan, B., Stern N., and Stiglitz, J.. May 2020

Oxford Review of Economic Policy 36(S1)

'A net-zero emissions economic recovery from COVID-19'

with Nick Stern and Chumping Xie. May 2020

Smith School Working Paper 20-01. University of Oxford

'Valuing and investing in China's physical, human, natural and social capital in the 14th plan'

with Stern, N., and Xie C. March 2020
